Nap 1:00-2:00
Bathroom/Snack 2:00-2:30
Storytime 2:30-3:00
Mighty Minutes/ Intentional Cards/Reinforcement 3:00-3:30
Centers 3:30-4:30
Get ready for Playground 4:30-4:45
Playground/Dismissal 4:45-5:30

Our Mission Statement: We believe that every child has unique gifts and talents. It is our responsibility to find and nurture those gifts and talents in every child. We also believe that every staff member has unique gifts and talents. It is our responsibility to find and nurture those gifts and talents in every staff member.

Classroom Staff

- Amazing teacher & friend
- Never stops learning
- Always there to help

Ana Borbonet

Ana was born November 3rd in Cuba. She is married with two sons. She has been a teacher since 1990. She holds an AA Degree Elementary Education and a certificate in Early Childhood. In her spare time, she likes going to the movies and the beach. She also loves watching her sons play baseball.

Exceptional Service Since 2005

- Nice to others
- Always Patient
- Determined
- Inspiring
- A lovely person

Nadia Ahmed

Nadia was born on September 14th in Pakistan. She is married and has three children. Nadia has her Associates Degree in Early Childhood and is continuing her education to complete her Bachelor Degree. She has worked with children since she completed high school. She enjoys reading and spending time with her family. Exceptional Service Since 2013

-Joyful
-Always positive
-Cares for others
-Kind hearted
-Imaginative
-Enjoys sports

Jacqueline Durruthy

Jacqueline was born in Havana, Cuba on October 15th. She was a park manager for the City of Miami Parks and Recreation and retired in 2017 after 29 years. She enjoys athletics and teaching kids sports. She was an education major at FIU and her hobbies include playing softball.

Exceptional Service Since 2018

Our Music Teacher

-Calm
- Loving
- Amazing Musician
- Ready to help
- Interested in all things music
- Courteous
- Energetic

Clarice Lee

Clarice was born on September 6 in St. Petersburg, FL. She loves to read and go shopping and travel. She plays piano and guitar and is a certified music therapist. She has been studying piano since the age of 8. She has worked with kids with Special needs and is working on her Doctorate in Music at the University of Miami.

Exceptional Service Since 2021

Our Soccer Coach

Healthy Habits and Safety: We believe in teaching children to be healthy. This is done through healthy eating, gardening, physical activity, & proper hygiene. Staff practice healthy eating and exercise to stay healthy for our students. We believe it is important to teach children to be safe both in school and in the outside world. Keeping students safe while at school is our #1 priority. We properly supervise children at all times.

Respectful and Courteous: At Kids For Kids Academy we respect each other as colleagues. We also respect each child and their individuality, and identify their gifts and talents. We believe that mutual respect with our clients/parents is crucial in a child's education.

Professionalism: We ask to be treated by our clients as professionals. We are hardworking professional educators that strive through professionalism to achieve excellence. We are always learning to better ourselves and provide only the highest level of education for our students.

Family: We are a family friendly school and encourage all families to thrive at our center. We welcome families of all races, religions, and family make ups and embrace and celebrate diversity. Our staff serves as an extended family to each other. We are there for each other through difficulties and to celebrate the special times in each other's lives. If one is in need, we all step in to be there for each other.

Empathy, Generosity & Kindness: We believe it is important to teach children to be kind to others and the importance of empathy. We teach children to be grateful for what they have and to give generously to those who are in need or are less fortunate. Our staff is empathetic and kind toward each other. We refrain from gossip. We give of ourselves to each other if we know someone on our staff needs help.

Innovation and Creativity: Our staff members are out of the box thinkers and problem solvers. We are always looking for new ways to make education relevant, stimulating and fun in today's world. We embrace science, art, music, sports, and find creative ways to learn through play.

First Day Of School Reminders For VPK Student: PLEASE READ CAREFULLY

- On the first day of school, history tells us that there will be a lot of traffic in our parking lot. This is because on day 1 of school, parents from the elementary school across the street walk their kids to school. Please plan accordingly so you are not late for work. This traffic should be gone by 8:45 am.
- Please be sure to scan in your child every morning in the Brightwheel APP on your phone. This is our means of ensuring that ratios are maintained in every class and that we send in enough lunches into our classrooms. Once your child is scanned in, they will enter the science lab or playground with their shoes on. They will remove their shoes before entering the classroom. Students must wear nonskid socks and a mask at school.
- We are offering a FREE MASK PROGRAM. Families who are interested will receive a bag with 15 disposable masks every three week. When your child arrives they should be wearing their mask attached to the mask holder that we will provide. If you do not wish to participate in the free mask program please send a fresh disposable mask each day or a fabric mask that is washed or replaced daily. Please provide a mask holder or use the one we are providing free of charge.
- Upon arrival please have your child scan themselves on the electric thermometer in the front of the school.
- If your child will be absent or come late, please let us know in Brightwheel so that we won't worry and can also have enough meals for all students.
- Please remember that unless your child has a medical or religious exception, we cannot allow outside food in our school. All children arriving by 9:00 will be offered a morning snack unless the parents advises otherwise. Due to our USDA Food Program guidelines, morning snack cannot be served after 9:00 am. Outside food must be consumed prior to entering the building.
- Items to bring to school: A change of clothing **marked with your child's name placed in a gallon zip lock bag** that will be left in your child's cubbie until it is used. Once clothing is soiled, it will be sent home and you are asked to replace it with clean clothing. The school uniform is required. The polo must be worn Monday – Thursday and the polo or school T-Shirt must be worn on Fridays. Over the summer, you can wear either the polo or the school T-shirt everyday. If your child comes to school without their uniform, we will provide one and bill your account. Your child may wear shorts, leggings or pants, no skirts are permitted. **Please do not send in jewelry, headbands or toys of any kind**.
- Students dropped off between 7:30 and 7:59 should be dropped off at the science lab. They will be taken to the playground at 8:00. Students dropped off at 8:00 can be taken directly to the playground. If the playground door is closed, simply ring the bell.
- Children arriving after 9:00 are considered tardy and must be left at the main office to be walked to class by a member of the office staff when someone is available. To minimize disruption during our circletime (the most important part of the day) <u>parents MAY NOT drop off children at their classrooms.</u> This presents a disruption as it forces the teacher to get up from the carpet to answer the door. Teachers have been advised to not answer the front door prior to the afternoon pick up times. After the third tardy children will not be admitted late and will be sent home unless accompanied by a doctor's note.
- Students attending VPK until 2:00 will be picked up on the playground.
- If your child is in full day VPK, when you arrive ring the bell after scanning out and get a pick up pass. If you pick up before 4:45 take the pick-up pass to the classroom and the

teacher will release your child. THE TEACHERS WILL NOT RELEASE KIDS WITH OUT A PICK UP PASS. This is to ensure that only authorized individuals pick up.

- If you pick up from 4:45 on, you will find your child on the playground. Ring the bell and your child will be released.
- VPK only allows 3 absent days per month, even with a doctor's note. ALL ABSENCES REQUIRE A NOTE THAT WE MUST SUBMIT TO VPK. Please do not plan vacations on VPK days. Please note that days that Miami Dade County Schools is closed, it does not count as a student absences for the purposes of VPK. Attendance is NOT REQUIRED on days Miami Dade Schools are closed. Student exceeding 3 absent instructional days per month could be in jeopardy of losing their space in our VPK program.
- At the end of each month, VPK parents must sign the VPK attendance book. Please make sure to do that before the 2nd business day of the month or we could be denied funding for your child.
- You can review the teacher lesson plans in the Brightwheel app so you can discuss the day's activities with your child.. We will also do our best to send 2-3 photos weekly in this APP. Each Friday, the director will send a weekly letter to your email and in the APP. The teacher will also send a letter. This recap will also include developmental milestone, events of our week, Student of The Week, and upcoming activities.
- Some months if COVID safe, VPK kids may attend one fieldtrip a month. If your child is in attendance on that day, your account will be billed $8.
- Please be sure to read our parent handbook on our website www.kidsforkidsacademy.com and go to the parent corner. There you will see all of our policies including our Birthday Policy. For Birthdays, we cannot allow outside food to be brought in and consumed. You may send in a goody bag that has individually wrapped items like fruit snacks, goldfish or cookies and little party favors. Please note that candy is not permitted in goody bags as it does not support our healthy initiative.
- We do our best to keep our school healthy. PLEASE KEEP SICK CHILDREN HOME. If while at school your child develops a fever, diarrhea or has excessive nasal discharge you will be called to pick up. Please come as quick as possible as your child will be quarantined in the main office.
- Although our staff is vaccinated against the COVID Virus we cannot control if a child comes to our school with COVID. You will be notified immediately if this is the case. If your child has been exposed to COVID current CDC guidelines state in order to return to school, 4 days after exposure, the child has to have COVID test and be negative. If you do not wish to test and your child is asymptomatic, they can return 7 days after exposure. We will continue to do everything we can to keep your child safe. This includes all staff and kids ages 3 ½ and up wearing masks.

Kids For Kids Academy participates in the State of Florida Department of Health Childcare Food Program. We adhere to strict program guidelines, therefore bringing in from from the outside by families is NOT permitted. Substitions can only be made for religious or dietary restrictions based on documentation. Families may send in special milk if accompanied by the CCFP Doctor's note form. When "cereal" is listed the center provides Whole Grain Cherios.

Organic unflavored milk (whole milk for age 1, 1% for ages 2+) is served with lunch and with snack when noted on the food calendar. Bottled water served with snack.
Fresh fruit & Organic veggies listed may vary, depending on the availability & freshness. When fresh fruit or vegetables are not available, frozen organic will be used.

Recordatorio del Primer Día de Clases para estudiantes de VPK
POR FAVOR LEA CON ATENCIÓN

• El primer día de clases, de acuerdo con nuestra experiencia, habrá mucho tráfico en nuestro estacionamiento. Esto se debe a que ese día los padres caminan con sus hijos para acompañarlos. Por favor, planifique con tiempo para que no llegue tarde al trabajo. El tráfico debe desaparecer a las 8:45 am.
• Por favor, todas las mañanas abra la aplicación Brightwheel en su teléfono, y escanee el código QR que se encuentra en la ventana del colegio. Este es nuestro medio, para controlar la asistencia de los estudiantes, y enviar el número correcto de almuerzos a cada salón de clases. Después el estudiante entrará al laboratorio de ciencias o al patio de juegos con los zapatos puestos. Se quitará los zapatos antes de entrar al salón de clases. Los estudiantes deben usar calcetines antideslizantes y la mascarilla en el colegio.
• Estamos ofreciendo un PROGRAMA DE MÁSCARILLAS GRATIS. Las familias que estén interesadas recibirán una bolsa con 15 mascarillas desechables cada tres semanas. Cuando lleguen los alumnos al colegio, deberán tener puesta la mascarilla junto con el soporte que les entregamos.
Si no desea participar en el programa de mascarillas gratuitas, envíe una mascarilla desechable nueva cada día o una mascarilla de tela que lave o reemplace diariamente. Por favor, incluya el soporte gratuito que le dimos o cualquier otro.
• A su llegada, haga que su hijo se escanee en el termómetro eléctrico que está a la entrada.
• Si su hijo va a estar ausente o va a llegar tarde, por favor avísenos por Brightwheel, así no nos preocuparemos y podremos tener suficientes comidas para todos los estudiantes.
• Recuerde que no podemos permitir alimentos externos en el colegio, solamente se aceptarán con una excepción médica o religiosa. A todos los niños que lleguen antes de las 9:00 am, se les ofrecerá un refrigerio a menos que los padres no lo deseen. Debido a las pautas de nuestro Programa de Alimentos del USDA, la merienda de la mañana no se puede servir después de las 9:00 am. Los alimentos externos deben consumirse antes de entrar al edificio.
• Artículos para llevar al colegio: Un cambio de ropa**, marcado con el nombre de su hijo, favor ponerlo en una bolsa de un galón con cremallera (zip lock)**. Esta bolsa, permanecerá en el cubículo del alumno, hasta que se necesite. Una vez que la ropa esté sucia, se enviará a casa y se le pedirá que la reemplace con ropa limpia. Todos los días requiere el uniforme escolar. El polo debe usarse de lunes a jueves y el viernes el polo o la camiseta del colegio. Durante el verano pueden usar el polo o la camiseta del colegio todos los días. Si el alumno viene al colegio sin su uniforme, le entregaremos uno y pondremos la factura en su cuenta. Los alumnos pueden usar pantalones o shores. No se permiten faldas. **No permitimos que los alumnos traigan joyas, diademas o juguetes de ningún tipo**.
• Los estudiantes que lleguen entre las 7:30 am y las 7:59 am se deben dejar en el laboratorio de ciencias, y a las 8:00 am los llevaremos al parque infantil. Los estudiantes que llegan a las 8:00 am los pueden llevar directamente al patio de recreo. Si la puerta del patio de recreo está cerrada, simplemente toque el timbre.
• Los niños que lleguen después de las 9:00 am se considera que llegaron TARDE y deben dejarlos en la oficina principal y un miembro del personal los llevará a clase, de acuerdo con la disponibilidad del staff. Para minimizar la interrupción durante nuestro “circletime” (la parte más importante del día), los padres NO PUEDEN dejar a los niños en sus aulas, porque interrumpen y obligan al profesor a levantarse de la alfombra para responder a la puerta. Se ha aconsejado a los profesores que no respondan a la puerta cuando los alumnos llegan tarde. Después de la tercera llegada tarde, los niños no serán admitidos y serán enviados a casa a menos que vayan acompañados de una nota del médico.
• Los estudiantes que asistan a VPK hasta las 2:00 pm deben recogerse en el patio de recreo.
• Cuando los padres recojan a los estudiantes que asistan a VPK todo el día, deben tocar el timbre después de escanear el código QR, con la escaneada obtiene el pase de recogida. Si usted recoge al alumno antes de las 4:45

pm, el pase de recogida se lo dará el maestro en el salón de clases. LOS MAESTROS NO DEJAN SALIR A LOS NIÑOS SIN UN PASE DE RECOGIDA. Esto asegura que solamente las personas autorizadas recogen a los alumnos.

• Si usted recoge a su hijo después de las 4:45 pm, los alumnos estarán en el patio de recreo. Escanee el código QR y toque el timbre para entregarle a su hijo.

• VPK sólo permite 3 días de ausencia por mes, incluso con una nota del médico. TODAS LAS AUSENCIAS REQUIEREN UNA NOTA QUE DEBEMOS ENVIAR A VPK. Por favor, no planee vacaciones en los días de VPK. Tenga en cuenta que los días en que los Colegios del Condado de Miami Dade están cerrados, no se cuentan como ausencias de los estudiantes para fines de VPK. No se requiere asistencia los días en que los Colegios de Miami Dade estén cerrados. El estudiante que exceda los 3 días de ausencia en el mes podría estar en peligro de perder su espacio en nuestro programa VPK.

• Al final de cada mes los padres de VPK deben firmar el libro de asistencia de VPK. Por favor, asegúrese de hacer eso antes del 2do día hábil del mes, de lo contrario podrían ser negados los fondos para su hijo.

• Puede revisar las lecciones del maestro en la aplicación Brightwheel para que pueda discutir las actividades del día con su hijo. También haremos nuestro mejor esfuerzo para enviar 2-3 fotos por semana en esta aplicación. Cada viernes la directora enviará por Constant Contact un comunicado a su correo electrónico, el cual puede también leerlo en la aplicación Brightwheel. Por favor, lea la carta del Director y la carta de la Clase. Los maestros trabajan muy duro para mantenerlo informado. Este resumen también incluirá hitos de desarrollo, eventos de la semana, Estudiante de la Semana y próximas actividades.

• Algunos meses, si no hay peligro del COVID, los niños VPK pueden ir a una excursión. Si su hijo, asiste, se le facturarán $8 en su cuenta.

• Lea con cuidado el Manual para Padres, este lo encuentra en nuestro sitio web: www.kidsforkidsacademy.com y vaya al botón para Padres. Allí encontrará todas nuestras políticas, incluyendo el reglamento sobre cumpleaños. Para los cumpleaños, no se permiten alimentos externos para los cumpleaños. Usted solamente puede enviar bolsas individuales empacadas y selladas con snack de frutas o galletas goldfish u otras golosinas de acuerdo con la edad de los niños. La bolsa no puede contener caramelos, ya que no apoya nuestra iniciativa saludable.

• Hacemos todo lo posible para mantener nuestro colegio saludable. POR FAVOR, NO TRAIGA A LOS NIÑOS CUANDO ESTÉN ENFERMOS, DEJELOS EN CASA. Si a un alumno le da fiebre, diarrea o secreción nasal excesiva, se le llamará a los padres para que lo recojan. Por favor, recójalo lo más rápido posible, ya que el alumno será puesto en cuarentena en la oficina principal.

• Aunque nuestro personal está vacunado contra el COVID no podemos controlar si un alumno llega a nuestras instalaciones con COVID. Si esto pasa se notificará inmediatamente. Si su hijo ha estado expuesto al COVID, las pautas actuales de los CDC indican que, para regresar al colegio, el niño debe pasar 4 días en casa después de la exposición y hacerse la prueba de COVID y tener resultado negativo. Si no desea realizar la prueba y su hijo es asintomático, puede regresar al colegio 7 días después de la exposición. Continuaremos haciendo todo lo posible para mantener a su hijo seguro. Todo el personal del colegio y los niños de 3 1/2 años en adelante deben usar mascarilla.
