Dear Parents,

BRRRR... What a chilly week we had! This week the mix of cold and rain has really helped our garden. Before you know it, we will be having wonderful tomatoes and peppers to taste in our classrooms. Throughout the school our classes were learning about diversity and practicing the message of kindness that Martin Luther King so greatly promoted.

Our classes in the East Wing got together and cooperatively made a trail mix. Each child in the class shared a healthy snack and the kids mixed them together and got a take a mixed snack home to share with their families.

As we gear up for Valentines Day, we would like to ask that each child in the school bring a box of Valentines to school on February 13th. The kids will do their exchange on the 14th. You can simply grab a box at the Dollar Tree and put their name on the card and put the card in the envelope. They will drop one in each of their friend's bag. We allow Valentines with fruit snacks or little stickers or trinkets as long as there is NO CANDY. This time honored tradition is loved by all of our kids.

I hope you have had time to check out our new website. www.kidsforkidsacademy.com. We are very excited about it and 99% of the photos are current ones of kids in our school. If you haven't checked it out take a peek....You may see your child featured on the site. I would love to know what you think about it.

If your child will be 4 by September 1, they qualify for

VPK. We have asked all parents of those kids to go to www.vpkhelp.org and register and download the VPK certificate. Each child will need one. The public school lottery is held on 2/28. After that we expect an influx of enrollments. As long as we have your VPK certificate by then, we can hold a space for your child.

Finally so that all families can plan ahead, if your child will be remaining in our school for the fall, we will be making the fall registration fee easier for parents. Rather than paying \$250 in March as in years past, we will split the fee into three \$80 payments.

The payments will be due the last Monday in February, the last Monday in March, and the last Monday in April. Remember if you have more than one child, you only pay 1 registration fee. If you will not be at our school in the fall, please let us know so that we do not bill your account. If we do not hear from you, families on EFT will be drafted on the Fridays mentioned above. As we have had an influx of tours, we want to make sure and hold spaces for all of our current families before opening spaces for kids from the outside.

Families who will be in our Kindergarten or First Grade next year, your registration fees will be the last Monday in March, April, and May as your final supply fee is due in February. If your child is in VPK now and you wish to remain for Kindergarten, please let us know as soon as possible as we will be capping the class at 10 kids.
