

Weekly Newsletter January 10, 2020

Dear Parents,

Welcome back! I hope that you and your family had a wonderful New Year. We were so excited to welcome everyone back to our campus. Educational activities were in full swing this week as we were treated to some cooler weather. Our Garden is doing well and if you haven't noticed, we moved Rexa into the big turtle tank. She feels like she is in a mansion!

This week, our Kindergarten kids had a fieldtrip to Jungle Island. Our Kids in Brown, Orange, Purple, and Rainbow had an onsite fieldtrip at the school. Jungle Island did an outreach program here. It was fabulous.

A word about the Life Cubby App....Please know that we cannot possibly use all of the features of the program. As kids get dropped off in the room and sometimes on the playground, it is impossible for teachers to "check them in" at the actual drop off time. We also want our teachers to be free to greet parents. The same goes for pick up time. Generally how teachers use that part of the app is when they are in Circle Time and take attendance, they mark the child in. At the end of the day all the kids are checked out. As we have careful records on our timeclock, please disregard in and out time in Life Cubby. We do use the app to send parents pictures, daily reports, and progress reports.

Finally, as we start the New Year, I have been approached by a school family to hold a diaper drive. I hope you can help. The collection bin is in front of Rexa's cage.
