

## **Weekly Newsletter** **December 20, 2019**

Dear Parents,

What a fun filled, action packed week we had at Kids For Kids Academy. I think the highlight of the week was our visit from Santa himself. We hope you enjoyed his visit and the kids liked the gifts he brought for them. We were so happy to get everyone their photos the same day. If you wish to download the digital images, you will find them on our Facebook page along with all the other photos of the week.

This week our kids were also treated to bubble SNOW. The photos of Yellow, Blue, and Rainbow will post next week on Facebook so stay tuned. Our oldest Kids Orange, Brown, Purple, Rainbow and Gold had a chance to make their own snow. The kids got to take it home. If you keep it in the freezer it will stay nice and cold for future use. When it starts to disintegrate, simply add a little water and it will puff up.

Our kids in Orange, Gold, Brown, and Purple also watched the Polar Express. Each child got a bell as a keepsake from the show. Although we don't believe in showing movies in our school, we always make this one exception at the holiday time. Additionally, the kids in the classes mentioned above and also Rainbow were treated to an in house fieldtrip. They had a chance to meet Author Kentrell Martin who wrote a series of books in the Shelly Adventure Series. Shelly the main character is deaf so sign language is presented within the book. The kids were treated to a reading of his books, learned to signs some words, and each got a signed copy of the book. Families who consented to this event will be billed \$9 on Monday as

agreed upon. This is the cost for the book. We will have those photos on our Facebook next week and also a video of one of the stories being read aloud. It was a wonderful instructional time for all!

Thank you from the bottom of my heart to all the families that took hearts off the front window. With your help, 11 kids at our school will know the true meaning for the holiday season. Also thank you to all the parents who gave me such nice gifts or left them for me on my desk or at the main office. I am truly touched by your love and kindness.

Please make sure to mark your calendar with the following dates. Our school will be closed from December 23-27. Those families who chose the 51 week payment plan will not be billed that week. We will close at 2:30 on December 31 and will be closed all day on January 1st. Finally, please, please take the time to read the class letters by clicking on the links below. Our teachers work so hard to teach your child and write these recaps.
