

Weekly Newsletter

January 31, 2020

Dear Parents,

I can't believe that tomorrow will be the first of February! Love is in the air at our school and the kids are getting really excited about Valentine's Day. Please remember, as we gear up for Valentine's Day, we would like to ask that each child in the school bring a box of Valentines to school on February 13th. The kids will do their exchange on the 14th. You can simply grab a box at the Dollar Tree and put their name on the card and put the card in the envelope. They will drop one in each of their friend's bag. We allow Valentines with fruit snacks or little stickers or trinkets as long as there is NO CANDY. This time honored tradition is loved by all of our kids.

There will also be signs in the front window for the East Wing, and in the main wing on the classroom door for our annual Friendship Fruit Salad. Those who wish to participate, please sign up for a fruit and send it in on Valentine's Day. Each child will have a chance to add their fruit to the cooperative Friendship Fruit Salad. The kids really love this and it is a great way to teach kids about other fruits. If you sign up for a chopped fruit, please end it in a zip lock bag so that we don't have to keep up with getting containers back to parents.

Our teachers in all classes except VPK and Kindergarten have been working hard to complete the mid year progress reports. Those reports are done and can be found in Life Cubby. VPK teachers have completed the second of three assessments. Parents will get a year end printout with a

comparison of each assessment so that they can see the gains your child has achieved at the end of the year.

Thank you for those parents who have already told us that you will be staying at our school for Kindergarten. We currently have 7 students enrolled and have room for 3 more. If you would like to have a spot please let us know soon. Thank you also to those parents who have brought in their VPK certificate for the next school year. If you have not done so, please go to www.VPKhelp.org and set up your portal so you can print your certificate. All VPK kids for the fall must have this.

Today our top class in the Papa John's Pizza fundraiser had their Pizza Party. Be on the lookout on Facebook for those photos. The top 5 sellers also got a Papa John's Prize Pack. This week in the Science Lab, our VPK kids learned about their lungs and air. They used straws to exhale air from their lungs and make bubbles.

Families on auto debit who have kids in VPK and Kindergarten, please remember that your final supply fee of \$170 will come out of your accounts on Monday. Finally, as a reminder, please mark your calendar as a Monday, February 17th. We will be closed for our annual staff training day.
