Dear Parents,

This week we were excited to have our VPK kids come in and have their cap and gown photos taken. Although we are sad to miss our first graduation in 15 years, we were happy to give them a chance to have their photos taken and take home their certificates and metals. We will send out a video when it is done.

We had few more kids join us this week. Some of our own and some from nearby schools that have closed. I want to thank all parents for following our drop off and pick up routines to keep everyone healthy. Please remember parents, wear your mask when coming to our school to keep our staff safe.

We are gearing up for summer camp. If you have any friends looking for a great place for camp, invite them to our school. Also, many schools in the neighborhood have closed for good. One of them is KinderCare in the Hammocks. If you know people in need of a school, we are accepting any child who needs a school at this time.

Next week we will be closed on Monday in observance of Memorial Day. We thank all of our members of the armed services and thank them for their service to our country.
