

Weekly Newsletter

June 12, 2020

Dear Parents,

What a wonderful start to the summer we had this week. Our world travelers visited Africa. Make sure to click the links below so that you can see everything they learned in their individual classes. Our K-5 Kids, in addition to their "travels" to Africa, also participated in many great science experiments and academic enrichment activities. ALL of our students ages 3 and up loved having soccer classes with Miss Jackie.

Thank you all for being patient as we get our daily routine perfected for the safety and well being of all of our students. A special thanks to all the families who are calling in as they arrive for pick up so that we can have your child ready for you. We think we have finally perfected the shoe routine! Thank you for your patience and practicing social distancing and wearing a mask while you wait for your child.

I hope everyone enjoyed their little gift of a spray hand sanitizer to welcome you to summer camp this week. When it is empty, trade it for a full one for a small filling cost of \$1. Finally, next week we will be going back to our regular hours. Families in our school who are not on extended day should resume their regular hours of 7:30-5:30 schedules. Our VPK and K-5 Kids can stay until 6:00 for their camp rate. Only families enrolled in the extended day program may remain at school until 6:30. Families of children in VPK, and the K-5 program, starting tomorrow, you will find your child in the main wing for pick up from 5:30 on. We will roll the shoe cart there to make it easier on everyone.

Have a Wonderful Weekend!
