Dear Parents,

This week our world travelers took break from their journey to get ready for Father's Day. I know our school dads will love the projects that the kids made to honor them. Also, although we are sad that we cannot hold our annual Father's Day Event, we are happy to be able to have a photos session in honor of Father's Day. On Monday morning, thanks to a donation of time and talents of a photographer, our campers can take a photo with Dad or that special someone. The photographer (A Dad from our school as well) will be set up from 8:00–9:30 to take photos. We will have them printed as a keepsake gift for all families.

For our families returning to our school in the fall, please remember that a \$240 registration fee per family is needed to hold your space. Most of our families paid the first \$80 installment in March. When COVID hit, we did not draft the April and May installments. Many schools in the area are closing and we are getting many inquiries for enrollment. There is a sense of urgency in the community right now as there will be a shortage of over 10,000 childcare spaces in the fall with all of the schools that are closing. That said, all families are asked to pay the final installments as follows:

Installment #2 \$80 June 29

Installment #3 \$80 July 27

Families on Auto Debit will be drafted on those days. Please remember we are requiring that all families be enrolled in Auto Debit by July 1. That will be the only

method of payment accepted. If you are not already on auto debit, please call someone in the office and give them your banking information so that we may enroll you.

Have a Wonderful Weekend!
