

Weekly Newsletter

June 5, 2020

Dear Parents,

This week marks a bittersweet ending to our 2019–2020 school year. I cannot thank my magnificent staff enough for the part that they played keeping our students connected while we were closed and safe when we opened. Next week we will begin our summer session. We will also be increasing our hours starting June 8th by opening at 7:30 instead of our current 8:00 a.m. time. We will continue to close at 6:00 pm. We hope to go back to our old hours when public school resumes in the fall.

Until now, we have had most of our classes in our main wing and Science Lab. Starting next week, we will reopen our east wing in an effort to spread out our students even more. As we expect more kids starting Monday, please be patient with us at drop off and pick up as well. We will be opening a second drop off station for all kids in Orange, Brown, Purple and Gold outside the Science Lab. Those families are asked to sign in at that location and walk your child to the East Wing. There you will find a cart outside the classrooms for the outside shoes. As kids get picked up in the afternoon, if they are on the main wing side on the playground, we will move the cart there for easier pick up.

We will also be setting up two timeclock stations so use your pin number to sign in. There will be Q-Tips for you to use when using the key pad so that we do not need to sanitize it after each use. Please dispose of it after its use, there will be a container for those used Q-Tips on the cart. If you have two children, please use the station closest to

the main wing so that you can drop off the younger child inside the front door before walking the older child to the East Wing.

Remember we will no longer be serving breakfast, but the "breakfast meal" will be served between 9:00 and 9:30 as a morning snack. This will cause lunch times to move 30 minutes later in some cases and the nap may also start 30 minutes later. We will have the summer class schedules on our website next week.

As we said goodbye to many of our VPK and Kindergarten kids this week, we posted photos and a video on our school website. Please share the link with family and friends.

If your child currently uses Pull Ups, I sent those families an email stating that we can no longer get Pull Ups. We will continue to offer Free Diapers and wipes, but once your child is out of diapers and using Pull Ups, you are asked to send some into the class in Zip Lock bag with your child's name on the bag. Remember, all kids must have non skid socks and a pair of rubber Croc type shoes to leave in school for outdoor use. Finally, we are moving toward only accepting payments by Auto Debit. As we are phasing this in, families will have until June 30th to provide the school with your banking information for the weekly auto debit. Thank you for your compliance with this policy.

PLEASE CLICK ON THE LINKS BELOW TO READ THE CLASS LETTER FOR YOUR CHILD'S CLASS.
