

Weekly Newsletter May 29, 2020

Dear Parents,

We are excited to reach the milestone of completing three weeks after reopening from our time closed for COVID. The day we closed, I planted Marigold seeds. To celebrate 3 weeks of being back open, today each family took home a Marigold plant as part of our Seeds of Hope Campaign. We have opened a scholarship fund called Seeds of Hope to help families from our school who have lost their jobs and need a little extra help. If you are a friend on Facebook, you will see the post on Sunday at 12:10 pm about the scholarship program in case you would like to help. When you see the post, please LIKE IT and Share!

When we closed the school for 3 weeks on March 29th, I planted Marigold seeds.

Today as we celebrate the end of our 3rd week open, each family was given a plant as part of our Seeds of Hope Campaign.

Next week, although our calendar says we are closed Friday to prepare for camp, as we were closed for 3 weeks,

we will **NOT CLOSE**. Staff will work extra hard while we are open to prepare for camp. Camp will start on June 8th. Students who would like may wear their school T-shirt every day of camp instead of the polo. We have extra shirts and also hats if you need them.

We will also be increasing our hours starting June 8th by opening at 7:30 instead of our current 8:00 am time. Stay tuned in the next weekly letter, I will talk more about camp.
