

Weekly Newsletter July 10, 2020

Dear Parents,

Over the last two weeks, our world travelers learned about life in America, as they prepared to celebrate July 4th. This week, everyone had their passports stamped in South America. Please make sure to read the teacher's letters below, by clicking on the blue links, to read about all of the wonderful things going on in the classrooms.

I want to thank everyone who participated in the Seeds of Hope Scholarship Fundraiser. In all, we raised enough to bring two children back to our school. The family we helped was a single mom who works at a restaurant. It had previously closed, and is now only open for take out orders. The funds raised will make it possible for them to come back to school, while their mom's income has been drastically decreased.

If you are one of our 25 first responders that have been lucky enough to get the childcare discount, and your income has not changed, please consider participating to help another family who is not as fortunate. We will keep the fundraiser open for one more week in hopes of helping other families in need. To participate, [click here](#).

Finally, I would like to thank all who who have been approaching our school wearing a mask in order to keep our staff safe. I would also like to thank our staff, for going above and to make sure that your child stays safe during this pandemic.

Have a Wonderful Weekend!
