

Weekly Newsletter
July 17, 2020

Dear Parents,

We're excited to share that we have received a \$10,000 COVID grant for the sole purposes of making our school as safe as it can be for our students. We are using a large portion of the funds to purchase Plexiglas dividers so that all of our children in Rainbow, Brown, Orange, Purple, Gold and Silver (Our oldest kids) will each have their own individualized workspace. We will start using them now in preparation for our fall safety routines.

In the upcoming week will be sending out a survey for you to fill out addressing changes in our school as a result of COVID. Although we still have another month of summer, we are starting to put plans into place for the upcoming school year. In order to properly social distance at drop off, we will need to know approximate drop off and pick up times for all families. We will also be offering small incentives for families who are able to drop off closer to 9 so that we can stagger drop off times for better social distancing for families as well. In addition, we will be offering 2 options for half day care.

The survey will also have you fall fee agreement. We are doing this to try and avoid having to collect papers from families. Please fill out the survey completely and sign it. Your digital signature will let us know that you are aware of the few new procedures as well notifying you of your fall fees. As our capacity has been drastically reduced, and our staff has essentially remained the same to keep up with sanitary precautions, we have had to raise our weekly fees

by \$3-\$5 depending on age range.

Finally if you or someone you know will be needing full day care for the upcoming school year, we will be opening 2 classes with 10 kids in each to assist parents with MDCPS and Charter School distance learning. As the school system seems to be leaning toward virtual perhaps for the first few month, we will offer these limited spaces to families from our school first. We are already getting calls from the outside as this is a service that will be in high demand so families can go back to work. It will all be explained in the survey.

Have a Wonderful Weekend!
