

Weekly Newsletter
July 24, 2020

Dear Parents,

This week our world travelers found themselves on the continent of Europe, and great adventures were had by all! We continue to do our best to provide an exceptional experience for your child this summer. This summer we have been very fortunate to have 7 student interns from Miami Dade County Schools. You may have seen them in their yellow shirts taking kids to class and passing them to you at the end of the day. We are so grateful to have them and have even offered 3 of them employment for the fall. They have really helped to enhance our program.

In case you missed the email earlier in the week, we are trying to have a contact less fee agreement. Rather than having you fill out the form in person we ask that you view it online, and sign to attest that you understand our fall fees, deadlines, and know where to access our parent handbook online. We will also be using the data from the survey to properly social distance our students for the fall. If you have not already done so, please click on this link to complete the survey.
