

Weekly Newsletter August 21, 2020

Dear Parents,

It's hard to believe that next is the final week of summer. I know we are all ready to put the summer behind us and start fresh with the 2020 school year. Like you, I'm hoping that the 2020 school year will get us closer to a normal world again! Since next week is a short week and we will be closing at 2:00 next Friday, this will be the last summer weekly letter. I am also giving the teachers a break from the weekly letter next week as they are all working so hard to get ready for Open House.

In case you missed it in my last weekly letter, we printed hard copy notes with all of the information for Open House. If you haven't picked up your note, please do so next to the sign in computer. If you are not attending for the summer but are reading my letters, we are putting those letter in the mail so you will know what time to attend. When you see your letter, please go by the highlighted time as we had to move a few kids after evaluating the birthdays in each class.

Final call for uniforms....If you have not gotten yours, please do so next week. Anyone who naps who has not gotten their pillow, blanket or school bag, if you don't pick them up by 8/31, we will take one into your child's class on the first day of school.

With regard to health and safety guidelines, according to county guidelines, our VPK, and Kindergarten to 5th Grade students must arrive wearing a mask and wear one while inside. We are asking that those families send in a sandwich size zip lock bag so we can put your child's mask away while

they are outside. If this changes or the guidelines change we will let you know. For now though, masks will be mandatory for those classes starting 8/31.

Finally, Please note that our original school calendar noted that our school would be closed the Friday before school started so that teachers could transition the classrooms from summer to fall. **We were scheduled to be closed on 8/14, but remained opened. We will be closing our school at 2 pm on Friday, August 28th so transition classrooms for the 8/31 opening of school. On the last day of camp, 8/28, since kids are getting picked up at 2, our VPK kids will not nap. Also, the teacher will send home all student belongings including the Crocs. Please send them back on the first day of school. This way their new teacher will know who the shoes belong to.**
