Dear Parents,

I must commend everyone for adjusting to our new health and safety routines. The kids are all getting used to the drop off and pick up. Thank you to everyone who has been calling prior to pick up to facilitate our staff in getting your child ready. I am excited to announce that we are in the process of setting up an APP called FetchKids. You will get an email mid week with link to download the APP. When you leave work, simply click on the APP and it will allow us to see via GPS where you are. It will also send us an alert when you are in Country Walk so that we can have your child ready.

We are asking all families to use the APP so that our phones can be freed up for phone calls. When you are ON THE WAY, simply open the APP. We will not be charging parents for this APP and know it will help us to better serve you. We are also asking families to remember that we do close at 5:30. These past few days we are having more and more parents coming 10-20 minutes late. Please know that the computer will automatically put in a \$5 late fee for every 15 minute segment that you clock out late. This week I have manually removed all late fees. Please help us send our staff home on time by arriving on time for pick up.

Finally, the best way to help our school is by spreading the word....Remember, if you refer a family to our school and they enroll, after they have been with us for 30 days, you will get a \$125 THANK YOU tuition credit. We are grateful for your help in spreading the word. Also, if you

are happy with the services you receive here, please consider a parent testimonial on Yelp, Google, and Great Schools.org. If you write just one, you can easily copy and paste it to the other. I would be so grateful for the gift of your kind words. It really makes a difference to let our staff know that their hard work is noticed.
