

Weekly Newsletter

October 9, 2020

Dear Parents,

This week our staff finished our first round of child assessments to see if your child is having developmental difficulties. Next week, Wanda will review the reports and for students with no areas of concerns, we will file the reports in their files. If there are areas of developmental concerns, I will call and schedule a meeting with you.

We are very excited and grateful to have received a \$7,000 grant from Kiwanis. We will be using those funds to renovate the toddler playground. Yesterday Easy Grass began to remove the old artificial grass and install the new flooring. The renovation should be done this weekend. We will post photos on Facebook. Thank you to everyone who sent in bags of candy for the homeless kids and also goodies for our class costume parades. We will collect until Wednesday, October 28th.

Thank you to everyone who is using the FetchKids App. It is really helping with our pick up at the end of the day. Please note, if your child is in the 2:00 pm dismissal program, you do not need to notify us using the app we already are getting your child ready to go home at 2:00.

There is still time to enter our Fill Your Fridge Contest for a chance to win free groceries from Publix. As COVID has decreased our enrollment, with your help doing these Google Reviews, we can boost our ranking for new families looking for a great place to send their child. I would be so grateful for any families who can help with this.

[CLICK HERE TO LEARN HOW TO ENTER THE CONTEST.](#) The drawing will be held on Facebook live, Friday, November 20th. Good Luck everyone!

Finally, starting Monday, we will be open until 6:00 pm for parents who need extended day care. If you are interested make sure to let someone in the office know so that you can be billed the \$10 weekly for extended day. If you are not in the extended day program please remember to pick up by 5:30 to avoid being billed \$5 for every 15 minutes after 5:30.
